

Louisiana State University at Alexandria
Student QEP Focus Group
June 18, 2013 10am

Participants: no show

Procedures: Dr. Mary Treuting and Dr. Cathy Cormier contacted three faculty teaching morning classes in the MPAC Building and ask them to forward an email to students enrolled in their courses. Faculty were also requested to remind student verbally at the end of class. The sessions were scheduled at 10 am with doughnuts provided as an incentive to attend. An attempt was also made to recruit any student in the building without success.
